Since 1837, Hermès has remained faithful to its artisan model and its humanist values. The freedom to create, the constant search for beautiful materials, the transmission of savoir-faire of excellence, and the aesthetic of functionality all forge the singularity of Hermès, a house of objects, created to last. An independent, family-owned company, Hermès is dedicated to keeping the majority of its production in France through its 51 workshops and to developing its network of 306 stores in 45 countries. The group employs more than 16,600 people worldwide, including nearly 10,400 in France, among whom nearly 5,600 are craftsmen*.

Axel Dumas, a sixth-generation family member, has been Hermès CEO since 2013. Founded in 2008, the Fondation d'entreprise Hermès supports projects in the areas of artistic creation, training and the transmission of savoir-faire, bio-diversity, and the preservation of the environment.
