A FRENCH MODEL OF CRAFTSMANSHIP THAT IS SUSTAINABLE AND CREATES VALUE

OUR ROOTS AND VALUES

An independent creative House since 1837, guided by the characteristics of craftsmanship. An integrated model of French manufacturing. A humanistic management of employees. A wide product offering of useful and long-lasting objects. A socially responsible company that is generous with the world.

UNIQUE HERITAGE

CREATIVE HOUSE

Creative heritage
Originally a harness workshop, Hermès has revolutionised riding equipment. Driven by creative freedom, the House innovates and revisits its timeless models.

CRAFTSMANSHIP MANUFACTURING MODEL

Savoir-faire heritage
Hermès develops and protects its often unique craftsmanship savoir-faire. The excellence of the craftsmanship techniques is passed on through a proactive internal training policy.

Materials heritage
Hermès uses, respects and preserves the most noble materials, secures its supplies and seeks to limit their impact on biodiversity.

HERMÈS RETAIL

Retail heritage
Hermès takes a unique approach to developing its distribution network and digital flagships. Its artistic and poetic spirit permeates the creativity of stores and window displays.

EXCEPTIONAL OBJECTS DESIGNED TO LAST

Creative freedom
The designers sketch, innovate and revisit the House’s models with the greatest artistic freedom and without ostentation.

Exceptional materials
Rare leathers, precious fabrics. Only the most beautiful materials are selected.

Development
Reconciling responsible sourcing, optimisation of uses, quality, innovation and eco-design for a virtuous life cycle.

Purchasing freedom
Store managers choose the products to propose to their customers.

Handcrafted production
Exceptional materials, expert skills. Production units take the greatest care in manufacturing the products ordered by the stores.

Exclusive distribution
Each store showcases a unique selection suited to its local market. The customer experience is unique and tailored with care.

Logistics
Destined for stores around the world, carriers deliver products to their destination while limiting environmental impact.

Lasting products
Because Hermès objects are passed down through generations, the House’s repair shops maintain them and prolong their lifespan.

Responsibility and transparency
Showing the outside world our achievements allows better understanding of actions undertaken.

End-of-life
Work is constantly taking place to innovate and anticipate end-of-life of products and materials in order to optimize their usage.
